

## **DANIEL J. COFFEY**

Hi, I am Dan Coffey, I've been a member of Fox Valley Golf Club for 54 years. I started playing in NEWGA events in 1969. I think the NEWGA organization is a wonderful opportunity for a golfer to play some of the best golf courses in the state. Through the years, I have met many wonderful people and have made many friends. It's a wonderful organization and I would like all members to support the NEWGA events and promote participation. I would like to thank the NEWGA board of directors for this wonderful award and all of the members I've had the pleasure of meeting through the years.
