

## WOMAN-OF-THE-YEAR RECIPIENTS

(1967 - Present)

According to the By-Laws of our Constitution, a nominating committee would be appointed by the President which included previous award winner(s) and current Board of Director members. NEWGA Representatives from each of our member clubs would also be asked to submit a personal profile of a nominee to the nominating committee for consideration. This award has been presented since 1967 and has recognized a person that has been outstanding in our NEWGA Ladies Organization, her golf club, and community.
