Thankfully, the weather cooperated and we had a beautiful day. Exciting times with players one and two coming in tied, 10-8 and 8-10. Players 3 and 4 arrived, and upon reviewing the scorecards, a disagreement arose over the scores on hole 15. However, after going back out to the hole to review the shot-by-shot play, the issue was resolved, resulting in another tie between players 3 and 4!

Playoff hole was # 11, with players 1&2, Glacier Wood up 1. While their play continued to hole 12, Players 3 and 4 continued on hole 11, with Pine Hills taking two points and clinching the Championship!

Congratulations to both teams for winning their division and playing so well yesterday, and to the Pine Hills 1 team for their victory!
