7th: Liz Ferger & Rachel Opgenorth (85)	\$ 75 each

COMMENTS:

A huge thank you to Pine Hills for hosting. They did an outstanding job of accommodating the golfers, especially with the weather conditions. The golfers went out to their tees at 11:00. Fifteen minutes later the horn sounded to come in with storms approaching. Everyone went out again around 12:30, only to get called in again. In the meantime, the staff prepared to serve lunch around 1:30 in case of a rain delay. They worked hard and served a delicious lunch. The question everyone had, are we going to be able to finish? There was at one time a severe storm warning. It did eventually stop raining, and personnel went out and checked the conditions of the course. Play did resume around 2:30, and the weather actually cleared up, although it was very windy. Scoring was completed quickly and winners were announced.

The limit of 38 teams was the club's limit based on the number of carts Pine Hills had. We had 3 teams on a waiting list in case there was a last minute cancellation.
